

Gentlemen, I am writing to express my concern over the possible loss of the fm station K-LOVE radio due to the upcoming LPFM's.

K-LOVE serves me as a resident in my community in many important ways, such as keeping me informed about Christian events and happenings in my community and around the globe.

The loss of K-LOVE radio would have a detrimental effect on our local community because it provides the ONLY family oriented, positive, encouraging programming available 24 hours a day, with Christian music as its basis.

I believe that the service provided by K-LOVE radio serves the public interest because it supports traditional family values, provides safe, family programming, and promotes peace, love and a good, wholesome example for other people and stations. Please reconsider the upcoming changes in light of our concerns.

Thank you for your consideration and your time in reading these comments! God Bless
